

COMMUNITY IMPACT NETWORK

SERVING THE 24:1 COMMUNITY

The Community Impact Network's mission can be summarized in one word: service.

The Network serves the 24:1 community by offering to assist the community in achieving its goals.

The Community Impact Network builds equity by serving those who create opportunities for people in the 24:1 community to learn, live and leave a legacy.

LEARNING

Creating opportunities for people to **access quality education** throughout their life.

LIVING

Creating opportunities for people to have **access to basic resources** they need to live.

LEGACY

Creating opportunities for people and communities to **leave a positive legacy**.
