Social Security Card

Replacing Your Social Security Card

If you have access to your current, unexpired photo ID, you can apply for your Social Security Card online or in person.

If you do not have access to your current, unexpired photo ID, there are a couple of alternative documents you can use to get your Social Security Card. You will have to go in person to a Social Security Office to apply.

Alternate Documents to Prove Your Identity

- Passport
- Employee identification card
- School identification card
- Health insurance card (not Medicare)
- U.S. military identification card
- Signed or stamped medical record from a doctor's office

Social Security Card

- There is **no charge** for a Social Security card.
- You can **replace** your Social Security card for free if it is lost or stolen. You are limited to **three replacement cards in a year** and **10 during your lifetime**. Legal name changes and other exceptions do not count toward these limits. For example, changes in immigration status that require card updates may not count toward these limits. Also, you may not be affected by these limits if you can prove you need the card to prevent a significant hardship.
- You must present **original documents or copies certified by the agency that issued them**. SSA cannot accept photocopies or notarized copies. All documents must be current (not expired). SSA cannot accept a receipt showing you applied for the document.

Required Documents:

- **Citizenship:** If you have not already established your U.S. citizenship with us, SSA will need to see proof of U.S. citizenship. SSA can accept only certain documents as proof of U.S. citizenship. These include a U.S. birth certificate or U.S. passport.
- **Identity:** SSA can accept only certain documents as proof of identity. An acceptable document must be current (not expired) and show your name, identifying information (date of birth or age) and preferably a recent photograph. For example, as proof of identity SSA must see one of the following:
 - U.S. driver's license
 - State-issued non-driver identification card
 - U.S. passport
- If you do not have one of these specific documents or you cannot get a replacement for one of them within 10 days, SSA will ask to see other documents. Any documents submitted, including the following, must be current (not expired) and show your name, identifying information (date of birth or age) and preferably a recent photograph:
 - Employee identification card
 - School identification card
 - Health insurance card (not a Medicare card)
 - U.S. military identification card
 - Medical records with a “wet signature”
- SSA may use one document for two purposes. For example, they may use your U.S. passport as proof of both citizenship and identity.
- SSA has discretion about which documents they can accept. They might be able to accept documents other than those listed above.

Other Information:

- You might be able to start the application process ONLINE:
<https://www.ssa.gov/ssnumber/>
 - Answer qualifying questions to see if you can complete the application online
 - If eligible, submit the application online
 - After you submit online, the application **MUST** visit a local SSA office with their original documentation within **45 calendar days**
 - After SSA verifies your documents, they will mail the replacement card within 14 business days
- **Parents cannot apply for children's cards online.**
- Those seeking their first social security card should call (888) 748-2014 for an appointment.
